
First Class After Sales Services

EXCLUSIVELY for every client
and investor of **Kourtidis Group**

The main concern of **Kourtidis Group of Companies** is to constantly meet the needs of every investor, customer and every property that needs to be covered yet even when the owner is away. This gap and responsibility have been taken care of by a top team responsible for the organization and implementation of the **Kourtidis Group's** plans designed to maximize the potential of each new market.

VIP Service, a company offering services that exist nowhere else in the Real Estate sector, is today the flagship of all the businesses of Kourtidis Group. A highly specialized team that offers **First Class After Sales Services**, acting **IMMEDIATELY** and resolving ALL issues relating to the needs and wishes of each client, buyer and investor before and after the transaction.

With a variety of supportive actions, the VIP Service team initially stands by our clients, aiming not only to simplify the buying process of their property but also to provide high quality services both during their stay as well as during their absence.
